

# Wind Gap Soccer

2019 Fall Soccer Registration

Since 1981, Wind Gap Soccer has been providing the youth soccer experience for the residents of Wind Gap, Pen Argyl and Plainfield Township. We work closely with our community to ensure your child is learning age appropriate skills and fundamentals, while also keeping our program fun and fresh.

## Wind Gap Soccer offers programs for children with Birth Years of 2005 – 2015.

**Those born from 2005-2010 are entered into our Recreational Travel program,** which competes in the local Blue Mountain Youth Soccer League. Teams are formed with **NO TRYOUTS**. All players play and get a chance to wear the THUNDER uniform. Practices for Recreational Travel begin as early as mid-July (coaching dependent) and the season ends the first weekend of November at the Garcia Cup Tournament. New Rec-Travel players will be required to purchase a uniform, *(a one-time purchase and reused each season you play)*.

**For Birth Years 2011-2015, our IN-HOUSE program** utilizes fun games for skill development and getting our soccer players ready for fun scrimmages to practice those skills. The season runs from mid-August through October (weather permitting).
