

Pen Argyl Area School District

Learning to Learn Financial Statement

The Pen Argyl Area School District **Learning to Learn Initiative** provides students/families/guardians the opportunity to borrow a district-owned Chromebook for use during and after school hours.

The goal of this program is to provide access to learning opportunities for all students throughout their day. **Our focus is learning first.** We want our students to be able to collaborate, communicate and create by extending learning beyond the four walls of the classroom. We want every student to succeed to the best of their ability. Utilizing Learning to Learn environments effectively accomplishes this goal.

Students have two options.

They may pay a technology fee and take the Chromebook home or they may keep the Chromebook in school and check it in and out each day. Students taking Chromebooks home will also be issued a case.

If the student qualifies for free and reduced lunch, the technology fee will be waived

Chromebooks are used throughout the day for note taking, research, collaboration, and online textbooks. We strongly encourage all students to bring their Chromebooks home as an extension of the school day.

The chart below outlines and compares the technology fees for Chromebooks that are taken home vs those that are left in school. Paying the technology fee, which allows your child to take a Chromebook home, significantly reduces the cost of repairs as outlined in this chart. If a Chromebook is damaged multiple times by the same student, the district reserves the right to charge the full cost of repair or replacement and the student may lose the privilege of having the Chromebook for the remainder of that school year.

Technology Fee Structure

	Take home	Leave in school
Technology Fee	25.00	no fee
Broken Screen	20.00 1st time 40.00 subsequent times	40.00
Broken Charger Port	15.00	30.00
Lost or Broken Charger	30.00	30.00
Replace Keyboard	25.00	50.00
Lost/stolen/damaged beyond repair	Full replacement cost	Full replacement cost

Financial Obligations

- Damage that occurs to district-owned equipment due to student negligence will result in financial responsibility on the part of the student. Such damages will include but may not be limited to:
 - Damage caused as a result of horseplay in the vicinity of the Chromebook.
 - Damage caused by the spilling of liquid on the netbook
 - Damage caused by closing the LCD monitor on an object
 - Damage caused by storing items in the carrying case
 - Damage caused by excessive heat
 - Missing Netbook due to loss or theft

Please note: Damage to Chromebooks occurs infrequently, however, it has been observed that the possibility for damage occurs most frequently from carrying the Chromebook in the backpack. It is in your best interest to keep your Chromebook separate from your backpack.

If the student and parent have opted not to take the Chromebook home and the student fails to check it in at the end of the day, the \$25.00 fee will become an obligation payable to the Pen Argyl Area School District.

Students are strongly encouraged to take their Chromebooks home
